ESDAA Division I Cheer Report
Submitted by Mary Smith, ASD

This year's tournament was held in New York at NYSD, Fanwood. We had a coaches' meeting and discussed clarification of the current rules. Suggestions for rule changes include having teams not change uniforms for the Creative Movement part of the competition - Cheerleading teams will need to use the same uniform for the entire competition - and eliminating the need for the host to provide numbers for the teams. Two items we want to have approved from last year's meeting are: eliminating the need for teams to provide the words to the cheers, chants, etc.; and, returning to the general ESDAA rule of the minimum age being 12.

Results of the cheerleading competition:

First Place – ASD

Second Place – WPSD

Third Place – MSD
