2001 Tournament Brackets

**New Business**

\*\*\* The coaches would like to name the sportsmanship trophy, The Vicki White Sportsmanship Trophy. She was instrumental in starting the girls tournament in 1977.

\*\*\* At this tournament ASD and WPSD agreed to play running time vs. Lexington, due to the fact Lexington's team was down to only 6 players and not very good. **The coaches have agreed not to do this again.** It did not allow the coaches to sub (no dead balls) and it did not give the other coaches watching a long look at ASD's or WPSD's players for all tournament awards, the game ended very fast. All teams have their up and downs, good and bad, only regulation rules will be followed from now on.
