Rule Change: Lay Up Competition

accepted

We would like to specify in the rules that a girl must catch the basketball with two feet behind the 3-point arch for the basket to count. If both feet are not on the floor behind the arch as she catches the ball the basket will not count. This will make it much easier to judge the event.

USADB – high school student participation

From Art Larson, ASD coach

USADB has its own rules stating that the club and the coach will be suspended for 2 years for allowing high school players participating in any USADB sanctioned tournaments, games or sign the USADB form. I want some kind of rule put in at the level ESDAA to enforce as well as support what is in effect at the USADB level. We had a tournament when a club asked me if high school players can play and I gave him a no. So, let the AD as well as coaches clarify that with high school players also...Art

Chairperson Vote

Jerry Mabashov, from Maryland, ran against Martha Fowler, New Jersey, for the chairperson position. The coaches voted and Martha Fowler will be the chairperson again for the next two years.

The 2005 Tournament

We would like to thank Neil Robinson and the American School for the Deaf for a wonderful tournament.
