

TEAM 21 COMPETITION

Pairings for the teams will be determined by drawing names from a hat. Choice of baskets will be determined by a coin flip. All of the players for each team will participate. Each team will be given a three minute warm up period. Five positions, 12 feet from the basket will be marked off. (see diagram)

Team members will line up behind the line, beginning in the corner. The players will shoot a long shot, worth three points. Then they should rebound the ball and dribble in for a lay up worth 1 point. They will shoot from each position until ten minutes has elapsed. The players must start behind the line when shooting.

A record will be kept of each teams points. The two teams with the highest totals will be involved in a playoff for the championship. Once again a coin flip will determine choice of baskets. The teams will begin again at 0.

A Team Trophy will be presented to the Championship Team.

All marks are 12 feet from the center of the cylinder.
